To The Village of Fowlerville Residents, Thank You!

As stated last week, the Village of Fowlerville entered into an agreement with a new trash service. Since then, this trash service has not delivered as promised, we have been misled and they do not meet the expectations the community deserves. At this time, we are doing our best to get this situation rectified. Additional information, including recycling options will be provided in the next few weeks.

Again, thank you and we appreciate your kindness, understanding and patience as we work through the issues and changes.

Please check the web site, as we post the most current updates at www.fowlerville.org
